Re: Virginia Values Veterans (V3) Certification

Dear Mr. Stewart,

On behalf of Governor Northam, please allow me to extend my thanks and sincere congratulations for Federal Government Experts, LLC completing all training requirements to become our newest V3-certified company through the Virginia Values Veterans (V3) Program.

We are proud of your public commitment to the Commonwealth, and are confident that as a V3-certified company Veterans will look to your organization as a great place to work.

You will have the full support of my office, and of our program managers, as we move forward together to increase employment opportunities for our veterans.

V3 representatives will continue to work with your company's V3 point of contact to:

- increase awareness of resources available for Veteran recruiting, hiring, and retention;
- assist your company in its progress towards achieving its Veteran hiring goals;
- capture and distribute lessons learned, success stories and best practices.

Again, congratulations on your certification in the V3 Program! We are honored to have you as part of the V3 team.

Dear Sir/Madam:

Mr. Stewart was selected from a highly competitive applicant pool in August of 2014 to be the Assistant Director of Acquisition Compliance for the Department of Defense's Office of Small Business Programs. After selecting Mr. Stewart, I observed his unique ability to critically think, interface with industry and observed his uncanny ability to develop comprehensive solutions to unique and challenging problems within the Department; upon noticing these talents I then appointed him as the Mentor Protégé Program Manager for the Department in addition to his original assignment. Since, arriving he has made a tremendous impact on current directorate and department initiatives.

Mr. Stewart serves as my Principle advisor on all Small Business Policy and Acquisition compliance issues and topics. Mr. Stewart's attention to detail, concise analytical skills, and professionalism make him a highly qualified candidate for any Senior Executive position. Mr. Stewart is an exemplary leader and not only exhibits the Executive Core qualifications he embodies them as an ethos. His demeanor and actions substantiate his talents and efforts to become an SES. As a supervisor it has been both a pleasure and an honor to watch him grow as a person and as a professional.

In closing, I would recommended Mr. Stewart be interviewed and evaluated as you move forward in your selection process. His expertise and positive mentality transcend any organization at all levels. He is a valued asset that will be a loss to OSBP but a clear asset to your organization. I look forward to speaking with you regarding Mr. Stewart.
